

Cancer ,Cancer in The BODY!!

We live in a Society, which is plagued by all forms of cancer, you have your Lung cancer, breast cancer, stomach cancer and Brain cancer, there are hundreds of forms of cancer, and most if treated early can mean the difference between life and death. However there is one cancer that does not kill you at all, in fact it doesn't even show physical symptoms at all but it is the most deadly form of cancer that will destroy you utterly. It is spiritual Cancer and the only cure of it is sound Doctrine.

Folks the body of Christ is full of Cancer of False Teaching and Doctrine. When did this Cancer set in ? The Answer: A long time ago. The Bible has some interesting things to say about this in 2 Timothy 4v3-4 and it says:

3 For the time will come when they will not endure sound doctrine; but after their own lusts shall they heap to themselves teachers, having itching ears;

4 And they shall turn away their ears from the truth, and shall be turned unto fables.

And in Jude v3-4and it Says.

3 Beloved, when I gave all diligence to write unto you of the common salvation, it was needful for me to write unto you, and exhort you that ye should earnestly contend for the faith which was once delivered unto the saints.

4 For there are certain men crept in unawares, who were before of old ordained to this condemnation, ungodly men, turning the grace of our God into lasciviousness, and denying the only Lord God, and our Lord Jesus Christ.

It is interesting to note those who do not put up with sound doctrine, turn away from the truth and gather to themselves those of similar nature who like to have their ears tickled.

So why do these men do this ? One reason is deception by Satan. He has the world but wants to spoil the Bride of Christ, He wants to turn the Church away from its true love, which is Christ and focus

on other things less important. Another reason is God .Why would God want to do that.? The answer to that question is found in 2 Thess 2 v11-12 .It is God who will send a strong delusion so as to believe the lie and the Key verse is this .Verse 12

“ that they may be all condemned who did not believe the truth, but had pleasure in unrighteousness. Who is Paul speaking to? The Church, to saints, to believers . This may rock some peoples view of God, but God is very clear, if you don't believe his Word you are condemned ,if you don't love his Word and by the way who is the Word(John 1v1), the Word is Jesus ,the eternal Logos ,then you will be condemned .If you don't love reading his Word then you don't love Jesus. It is very plain and very clear. If you don't obey his Word then you don't love Jesus. Do you Love The TRUTH?

I would like to ask a Question and it goes like this. Are you deceived? Let us take a quick quiz. If you answer yes to any of these people then you have been duped , deceived.

Do you follow,

Kenneth Copeland, Kenneth Hagin, Benny Hinn, Joyce Meyers, Marilyn Hickey Peter Popoff, Morris Cerullo , Freddy Price ,Larry Lea, C. Peter Wagner. Cindy Jacobs, Rodney Howard Browne, Paul Crouch and the list goes on and on.

All of these people are responsible for spreading Cancer in the Body of Christ. THEY have spread heresy, false doctrine, false prophecies and are leading many astray and into the very pit of hell. The Word of Faith teaching is perhaps the most blatant spreader of Spiritual Cancer with the Gospel of Mammon instead of the Gospel of Jesus Christ, which requires a believer to live a crucified life..... The emphasis is getting money!! The word of God is clear you cannot serve two masters.(Matthew 6 v 19-24) The health /wealth Gospel of the WOF is spiritually killing people. The Jesus of the WOF movement is not the Jesus of the Bible. Copeland has come out with some real Blunders over the past years. His latest one is that all in Islam, Billions will be saved and brought into the Kingdom of God in the Next few months. He said this just after Sept 11.I don't have the time to go into this in greater detail but you can request information at the end of my message and I will provide it for you.

Copeland has stated that God has a body and is somewhere between 6'2 –6'3 weighs about 200 lbs and has a handspan of nine inches. My Bible says God is Spirit (John 4 v 24) He has also stated that the biggest failure in the Bible is God. This is utter Heresy. He has also stated that Faith is a force.

Maybe he has been watching too many Star Wars Episodes, "may the Force be with you". The correct bible definition of Faith is simply this : The complete trust in God and his Word and what God says will come to pass. I have been to Conferences in which Copeland was a speaker and some of the things said were of eastern religion ,For example Visualizing or speaking things into existence to change your circumstances. This is what Buddhists and Hindu's do. We are Human we cannot create something out of nothing. This realm is only reserved for Jesus/God who is creator of all things. But Copeland would have you believe that you are a little god and that God almighty cannot do nothing,(his hands are tied) without your faith. Copeland's God is obviously a lesser god because the God of the Bible is Sovereign and he can do anything he well pleases. The WOF Jesus is not the Jesus of the bible because Copeland would have you believe that Jesus went to Hell and became a slave of Satan for three days. Copeland then scorns our Lord by calling him a wormy emancipated being who was born again in hell . After that heresy he goes further by stating that he could have died in your place because he was a born again man. I ask you seriously Who do you want as Saviour , Jesus or Copeland? My saviour is Jesus.

Yet blind Christians lap this up. I have done my research on Copeland .Have you ?The Bible instructs us to be good Bereans to Check out what is said , to make sure it lines up with God's word. Copeland's Teaching is a poison. He has laid truth alongside error. Picture this: I am making a beautiful sandwich .It has freshly baked bread, an assortment of tender meats, fresh tomatoes. Lettuce, Mayo and in the middle I have laced it with arsenic. You look at it and say what a beautiful sandwich. Are you going to eat it .No because you know it is poisoned. False teaching is like that. Jesus said a little Leaven (yeast) ruins the whole lump. In other words False teaching spreads like Cancer and will kill the Body. Another way of looking at it is this .Throw a rotten apple into a barrel of good apples and pretty soon the whole barrel goes rotten.

Lets look at Benny Hinn, in his Gucci suits and beautiful Rolex's, is perhaps' is the most effective deceiver, a real tool used by Satan. He has made many outlandish statements made plenty of false prophecies and was exposed as a fake by 60 Minutes. He has lied in books he has written and been exposed for false teaching and healings many times. Hinn was supposed to have Jesus appear at his Denver Crusade last year but that never eventuated. Hinn prophesied that the dead would be raised by placing a coffin in front of a TV whilst TBN was showing. At least the AG had the sense to disown him. In Italy the AG there, refused him entry into their Churches .In Africa 4 people died at a Hinn Crusade. If Hinn had any anointing, which he hasn't, and then those 4 would have been raised from the dead. Next time you watch him on TBN notice that when it comes to healing none of these televangelist go to the real sick people, they stay away as far as possible from those in wheel chairs, or who are handicapped. Did Jesus ever turn anyone away? The answer is NO He Healed them ALL INSTANTLY.

If you cannot pick him to be a fraud then you have no hope of ever having any discernment. The most alarming thing is that the average person on the street can pick these people as fakes and they are correct. They can see through the scams, the money grabbing the deception and they can see these people for who they really are. So why can't the Church see it. The answer to that question is found in Revelation 3 v14-17. What you see today is the Church of Laodecia . When I first Got saved the Lord was very gracious and he showed me a picture of the State of the Church. It was a picture of a Fat Dog sleeping on a porch on a warm sunny day. The Church today is exactly like it.

It is ineffective on social issues like abortion, drugs, suicide amongst our youth, pornography and homosexuality, The church is fat and lazy and rich, asleep in the light instead of being vigilant. No wonder there has been a huge increase in the occult especially witchcraft and New Age., No wonder there has been a huge increase in Christian divorces ,No wonder there has been an increase in Moral failure by ministers, Men such as Jimmy Swaggart, Jim Bakker , and more recently Roberts Liardon. Men who morally fail should Never be allowed back into the pulpit. Read what God's standards are for ministers in 1&2 Timothy. They Must be above reproach. Yet you have them running Churches. It seems that God's Holy standards are just thrown out the door.

They do not Fear God anymore and have become a law unto themselves. The Bible has a name for this and it is called Lawlessness.

What about the Gross error spread by Benny Hinn and Paul Crouch of TBN. These men should be shut down. Full stop. They give real Christians a bad name!!! If there ever was an abomination then it is TBN that takes the cake. Blind Guides and Pharisees is the Label that should be stick on them. Hirelings is another label as well. Why won't they REPENT. Because of PRIDE, because they will loose their power, position and their lifestyle Mark my Words God will remove them !!

The bottom line always comes to the Green Back. The UNHOLY BUCK is what drive these people. Their god is Mammon and God will judge them harshly. Jesus will say, "Depart from me you workers of iniquity" if they don't repent.

There has been a paradigm shift in the Church. It had started around 1993 and it has slipped into the mire. It started with Toronto then Brownsville. Was this a move of God ? Unfortunately the answer is NO. Many thousands of leaders were deceived into thinking it was and instead of doing what the Word of God commands us to do which is to check each spirit and try and test these things and search the scripture like the Bereans did, they all jumped headlong into it. No wonder why the Church has Cancer. The leaders are BLIND. They have embraced a deadly deception and gave the Green light to their flocks to be deceived. They have in other words instead of protecting the flock from the Wolves they have actually fed the Sheep to the Wolves. God Is Not HAPPY. His wrath is stored up for these men and those who follow them. The leaders now know this was not a move of God but instead of repenting they will wait for a new deception to come along and the whole process will start again. However the Next Deception will be far deadlier and greater. The Bible refers to this as the great Apostasy or the Falling away. They won't leave the Church on mass but what they will do is deny our Lord for who he really is. They will deny his deity, his Lordship. Jesus said, "let the blind follow the blind and all will end up in a ditch"

The question you have to ask yourself is do you want to end up in this ditch with them?

If you don't then here is what the solution for a blind fat lazy church is: Turn with me back to REV 3 and read Verse 18. Jesus Gives you the answer. Refined Gold and Salve for your eyes so you can see.

The refiner's process is used as an image of cleaning out the impurities in your body. God wants to refine you and remove all the dross and garbage that you have accumulated then he wants to fill you with his light, that is the truth of God so you be able to see. He wants you to walk in the light and not in the Dark. To allow this process to happen you must die to yourself and yield to the Spirit of God . This is a very painful experience ,but once you have come through it then God can use you mightily .He wants to come back to a bride that is pure and Chaste

Salve gives us an image of Doctrine/Teaching .Correct Doctrine leads to Correct living. Correct Truth allows one not to be deceived and become blind. Salve is for soothing. If your eyes are blood shot you normally put in eye drops to soothe them, so you can see better. The same in the spiritual realm. You add correct doctrine and expose the error then you will be able to see Clearly and hear clearly from God.

Yours eyes are the window to your soul. If they are dark then your soul will be dark. Now I'm not talking about physical eyes here I am talking about your spiritual eyes. There is an old saying and it goes like this Garbage in equals Garbage out. The bible uses the image of the eyes in many places to show you why it is important to guard what goes into your spirit. If you have been feeding your spirit man garbage from WOF teaching then you are at peril. You have contracted spiritual cancer.

The only cure for aggressive Cancer is surgery. There needs to be in the Body of Christ a radicle plan of surgery to remove this Cancer called WOF. I believe that the Church of Jesus Christ cannot do it . It is too deeply rooted to be removed by man. It is now Time for God to move. Judgement will begin in the House of God and many of these people will be removed by God in one way or another

A great man of God called Smith Wigglesworth had this to say about Cancer.

“When I see cancer I always know it is an evil spirit. I can never believe it is otherwise”.
